Who are OneSound?

OneSound is a dynamic group of musicians aged 16-26 who meet to share in musical excellence and Christian fellowship. Members are from across the UK, and meet around four times a year to rehearse, perform and worship with our diverse communities.

OneSound really wants to hear from you if you have a love for music – if you sing (even in front of the mirror!!) or jam with your friends then we'd love to hear from you!

Being part of OneSound can be a life-changing experience and you will make incredible music with other young musicians and our Artistic Director, Matt Beckingham.

But that is not all, OneSound helps you develop as team players, increase your own confidence (yes, everyone is nervous to start with!!) and pass on your skills to other musicians.

If all that wasn't enough – you will also make some of the best friends you'll ever meet on your life's journey.

OneSound is committed to reaching out to all members of its diverse community, irrespective of their financial circumstances. We strongly believe that God has presented us with a vision for future ministry and we are enthused to see it come to fruition. Members pay a small subscription each year and we have a bursary available if this is difficult for members to find.

If you would like to hear more about OneSound, are interested in joining the musicians or want to support us physically, financially or spiritually, please contact: -

Day by day guide:

Day 1 - Time to settle in before we join together for a Big Sing after lunch, followed by a jam session in the evening so make sure you bring your instrument – including your voice of course!

Day 2 - Go wild learning how to crate stack, followed by our Big Sing. Workshops after lunch and jam session in the evening.

Day 3 - Enjoy the thrill of riding zip wires and high ropes or climbing Jacob's ladder in the morning. Then workshops and our Big Sing in the afternoon. Finally a campfire and jam session in the evening.

Day 4 - Challenge yourself on the indoor rock climbing wall after the morning's Big Sing. After lunch we go by coach to our concert venue to rehearse for our evening concert.

What will you be doing?

- CLOSER sessions are opportunities for everyone to spend time together to celebrate the love of God. Closer sessions may be singing, praying or discussing stories from the Bible—wherever you are with your faith, we will be celebrating together!
- Big Sing sessions are just what it says—we spend time singing together led by Matt Beckingham, OneSound's Artistic Director. With Matt's help, you'll make an awesome sound, pick up some tricks and tips of the trade and learn some of OneSound's distinctive arrangements!
- Workshops are split across 3 days so you won't miss out! So, whether you're a arts and crafts type, an actor, singer or general all-round performer, you'll be able to choose a workshop that you'll love.
- OneSound finale Concert—this is your big opportunity to celebrate all you have learnt during Summer School. OneSound members will be joining you on the last evening and together, you will deliver a fantastic concert for family and friends before you leave.

Don't forget to bring any musical instruments that you already play—there will be jamming sessions and campfires for everyone to enjoy!

To keep you going during their packed itinerary, Kingswood serve three freshly prepared, healthy, buffet style meals each day, with plenty of variety - including hot and cold meals, a salad bar and plenty of water available at all times.
